Preface

こんにちは、常夏海里です。
３冊目のHarry Potter本です。別名セブルス本。（ええ!?）
前回は確か義父だ黒犬だと大騒ぎしておった記憶があるような。
冬以来何があったのか。映画があったのだ！アラン！アラン!!アラン様～！
もう大変ですよ。寝ても醒めてもスネイプ一色。げに恐ろしきアラン電波。
勢い余ってHPなるものも立ち上げて見たりと、日頃無いほどの行動力を
発揮しておる始末です。カレに惚れたら火傷するぜ☆（もう手遅れ。）
去年の夏に４巻を読み、目からウロコが100枚くらい落ちて以来、
スネイプ教授を見る目が変わった上にあの映画だし。甘美なトドメでした…。
DVDって検索機能がついていると聞いたのですが、「アラン」とか「スネイプ」
で頭出しができるということですか!?すごい！すごすぎる!!これからはDVDの
時代だよ…！というわけで、ハードも持って無いのに予約だけ完了。（笑）
彼が我が家にいらっしゃるのを指折り数える毎日です。
かといって、他のキャラもこれまでと同様愛しておりますよ!!
（教授は今まで圏外だったのに、突然の下克上が行われたわけで…。）
もちろんシリウスラブです♥ハリーだってルーピン先生だって皆愛してます！
…そんなだから、こういう切羽詰まった時期だというのにやたらと登場人物
の多い話ばかりになって泣きを見るわけで…。特にドビーだ!!（笑）
シリアスだのコメディだのごったまぜの本ですが、読んで下さった方が
少しでも楽しんで頂けると嬉しいです。😊

THUMP!

THUD! BANG!!

Intriguing, isn't it?

Today's lesson is on the extermination of boggarts.

...P... Professor Snape.

What would you say is the thing that frightens you most in the world?

Right, Neville, this is where you come in.

Always the same hat. A tall one with a stuffed vulture on top. And a long dress... green, normally... and sometimes a fox-fur scarf.

Well...

Professor Snape... heh...I see. Now I wonder, could you tell us what sort of clothes your grandmother usually wears?

Ready?

GULP

Right, then. Picture her appearance very clearly!

Vulture plume?

BAM

Green dress?

Fox-fur scarf?

Professor, that's brilliant...!!

Ah... ahem...

That's a boggart, everyone... if you don't laugh, "riddikulus" will have no effect...

I was actually going for something extremely funny...

...Neville, your grandmother has amazing taste in clothes—...

Once upon a time, in a land far, far away ..

There lived a White Rose Prince and a Black Rose Prince.

White Rose Black Rose

The White Rose Prince was a selfish prince who lived absorbed in the luxury brought by the power of his father the King.

The Black Rose Prince was an orphaned prince from a poor family who eked out a painful existence as a servant of the castle.

Who in this country is the most gracious and charming prince of them all?

Mirror mirror on the wall...

—That would be the White Rose Prince. Skin white as snow, ice-blue eyes, rosy lips, and average intelligence.

naturaly!!

—How-ever

What!?

crash!!

screech

You're telling me that that lowly, penniless bag of bones—a worthless servant—is better than me?!

I'll kick him out right this minute—!

In the depths of this castle lives the Black Rose Prince, who is far more intelligent and charming.

How'd it get this dirty again?

What did you say—?!

I didn t do anything wrong! This is completely unfair ..

Sorry, mate

The Black Rose Prince was exiled and thrown into the forest

And thus

Totter ..

I'm so hungry—

In the forest there was a little cabin.

In the cabin lived seven house-elves.

!?

Pardon me ..

BAD DOBBY!!

Please don't take our socks~~!!

I'm sorry for emitting carbon dioxide!

BAD DOBBY!!

I'm sorry for living here without permission!

I'm sorry, I'm sorry!

Master . . !!!

Here, I'll give you my socks, so calm down.

The Black Rose Prince persuaded the seven to stay with him.

No thanks

Very fishy.

What—?! How dare you refuse when I actually came here in person?!

Humph.

Well, let me tell you that these Beans are completely unique

They are a "miracle love drug" spec al-made by the castle's Dark Wizard...!

Well? You want some, don't...

grab

!!

You should've told me that from the start!

Hey!

All of them were from the special extremely poisonous deluxe pack.

snake strawberry-flavored, poison apple-flavored, digitalis-flavored, and wolfsbane-flavored.

The Every Flavor Beans that the Black Rose Prince had eaten were

You're a greedy moron who got what you deserved!

I lied, you stupid fool.

Ugh!

But even that was completely ineffectual against all of the different poisons concentrated in the beans the prince had consumed.

Hold on, Black Rose Prince. .!

Only a kiss from a princess could save the prince.

It was a charlatan wizard who happened to be passing through.

disillusionum!!

Leave it to me!

He won't awaken because he drank poison?

Why'd you have to go and save him, James?!

Think about it, Sirius! If Severus had been lucky enough to dodge the Whomping Willow and make it into the Shrieking Shack, what then?

I stopped you from becoming a criminal! What the hell are you yelling at me for? You should be thanking me!

Look..

Invitably a world for only 2...

Sirius Black killed the Potters

In broad daylight, on a street packed with Muggles, the blast killed Peter Pettigrew and twelve Muggles who happened to be present

And Black stood there laughing—

He was a spy for You-Know-Who.

I don't want to believe it.

I want to believe in only you.

Oh, how I want to believe in you—

But I'm afraid.

all of you filled with a warm light that I knew for the very first time.

But I lost it that day in the blink of an eye.

Like a recurring nightmare—

Emptiness.

Grief and fear

Loneliness and despair.

I sealed away my most precious memories.

I closed my eyes against reality

All imperfect things

Professor Dumbledore has granted me permission to start this little dueling club, to train you all in case you ever need to defend yourselves.

He worked so hard to protect you this year

Snape did rather make himself unpopular... and what a waste of time

Do any of you know which curses are most heavily punished by wizarding law?

There is no more time.

You said that Professor Snape would probably do anything to get the Defense Against the Dark Arts position—

The darkness which devours all is here.

This is the proof.

——— Oh, he had told no one. He had been fighting this battle all alone.

For so very long.

When will I...

...ever be able to catch up with you?

We were not even aware of the looming darkness.

We've misjudged all of his impatience, his anger and fear.

—Open your eyes and see.

We didn't know anything at all.

Perhaps I will never be able to touch him.

—Perhaps it's already too late.
